**FILED**

**AUG 27 2004**

INDIANA UTILITY  
REGULATORY COMMISSION

**CAUSE NO. 42144**

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

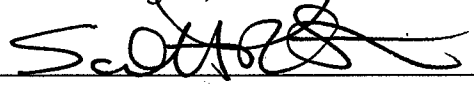

On March 17, 2004, the Commission issued a Final Order ("Order") in this matter. Pursuant to the terms of the Order the Commission established an Oversight Committee to be comprised of one company representative from each of six different industry groups: 1) the three largest ILECs; 2) the Rural LECs; 3) the Competitive LECs; 4) the Interexchange carriers; 5) the wireless providers; and, 6) the OUCC. The Order required each of these groups to submit the name of the individual chosen to represent their group on the Oversight Committee to the Commission upon selection. Order at 41-42. If an industry group is unable to agree on a representative, the candidates' names should be submitted to the Commission which will then select the representative through a blind draw. *Id.* at 42.

The Commission received the name of single company representatives from each group, with the exception of the wireless providers and the Rural LECs. The wireless carriers have not yet provided the name of their company representative in this matter. In addition, on June 10, 2004, the Indiana Exchange Carrier Association, Inc., ("INECA") submitted the nomination of Mr. Mitchell R. Procter as a representative to the Oversight Committee. On June 30, 2004, Smithville Telephone Company, Inc., Rochester Telephone Company, Inc., Daviess Martin Telephone Company, Northwestern Telephone Company and Clay County Rural Telephone Company, submitted the name of Ms. Tammy Teague as a representative to the Oversight Committee. While these parties submitted two names as potential representatives to the Oversight Committee on behalf of the Rural LECs, there is no indication in either filing that the industry group was unable to agree on an industry representative, or whether they had even spoken regarding the respective filings made with the Commission over one week apart.

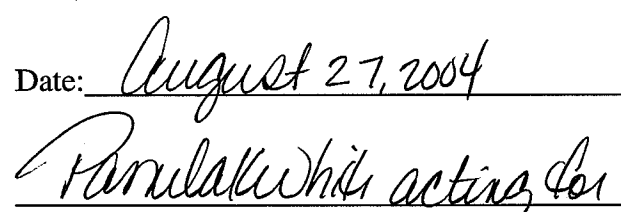

Based on the forgoing, the Presiding Officers hereby find that the wireless providers shall provide the Commission with the name of their company representative to the Oversight Committee on or before September 10, 2004. The Presiding Officers also find that by this same date, the Rural LECs, shall apprise the Commission as to whether the submission of two names was the result of a disagreement between the Rural LECs, as required by the Commission's March 17, 2004 Order, and if any additional nominations will be forthcoming from the industry group.

**IT IS SO ORDERED.**
